REQUEST FOR CERTIFICATE OF CORRECTION PURSUANT TO  
37 C.F.R. 1.323

Dear Sir:

Upon reviewing the above-identified patent, patentee noted a typographical error on the cover page which should be corrected. The error is the name of the Assignee and was incorrectly stated on the Issue Fee Transmittal Form as Shot Hardware Optimization Technology, INC. The correct name should be Space Hardware Optimization Technology, INC.

On January 25, 2007, applicant mailed a Request for Correction of Typographical Error in Issue Fee Transmittal Form along with a marked up Fee Transmittal sheet and a replacement Fee Transmittal sheet, copies of which are enclosed herein, in an attempt to have the error corrected. Unfortunately, this attempt to correct the error was unsuccessful. Consequently, this request is being sent.

Because the error was Applicant's mistake, the required fee set forth in 37 CFR §1.20(a) of \$100 is submitted herewith.

The error now sought to be corrected was an inadvertent typographical error, the correction of which does not constitute new matter or require reexamination.

Transmitted herewith is a proposed Certificate of Correction effecting such amendments.
